

HOSPITAL TRANSPORT FOR PATIENTS

The hospital transport service has introduced a new booking system.

Please note that GP surgeries are now no longer able to arrange ambulance transport to hospital appointments for patients.

If you require transport to get to your hospital appointment you should call

0300 123 3235

Alternatively, you can do this online at

<https://managemybooking.scas.nhs.uk/patientzone>

You will need your NHS number and your date of birth (no password required)
